SPA ETIQUETTE & POLICIES

ARRIVING AT THE SPA

Please arrive at least 30 minutes prior to your scheduled reservation if you plan on changing into a robe and sandals. As a courtesy to the next guest and our staff, please note that late arrivals will end as previously scheduled without a reduction in price. Early check-ins are welcome as most services include up to 2 hours of complimentary spa use. Please remember to silence all cell phones at check-in and note that photography is not permitted inside the locker rooms.

SPA AMENITIES

As an adults-only facility, entry is limited to those 18 and older. While clothing is optional in the locker rooms, robes or swimsuits are required in the communal areas. To maintain a peaceful and safe atmosphere, we kindly ask guests to speak softly, silence electronic devices, rinse off before entering the hot tubs, and dry off afterward to help prevent slipping.

SPA SERVICES

Except for salon services, your provider will respectfully leave the room to allow you privacy as you prepare and settle under the draping. While we strive to anticipate your needs, please feel comfortable speaking up so we can make any adjustments necessary. Please note that inappropriate behavior or language may result in the termination of your treatment.

FOOD & BEVERAGE

Per Oregon laws and regulations, food, alcohol, and glass containers are strictly prohibited in the spa without exception. Complimentary tea and water are available, with select local Kombucha Teas and CBD Seltzers available for purchase. Personal water bottles are welcome in the spa.

CHANGE & CANCELLATION POLICY

As a courtesy to all, we kindly ask for at least 24 hours' notice for any cancellations or changes to your appointment. For four or more services, we ask for 48 hours' notice. Cancellations made with less notice may be charged in full to help protect the time and efforts of our team. Changes include rescheduling, switching providers or services, or transferring a service to another guest—even if it's a similar offering. Our team prepares in advance, and last-minute changes require system updates and schedule adjustments that can disrupt the flow of the day.

NON-DISCRIMINATION POLICY

We are committed to fostering an inclusive, welcoming environment where all individuals feel respected, safe, and cared for. Our spa does not discriminate on the basis of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, age, disability, body size, or any other characteristic protected by law. We honor the diversity of our guests and team members, and we strive to create a space of belonging, comfort, and healing for all.

HEALTH & SAFETY | COVID-19 POLICY

To protect the health and well-being of our guests and team, we kindly ask that you postpone your visit if you are experiencing symptoms of a contagious illness, including cold, flu, or COVID-19, or if you have been in close contact with someone who has tested positive for COVID-19 within the past 14 days. Disposable masks are for any guest who prefers to wear one.

ACCESSIBILITY & CARE

We understand that everyone's needs are different, and that physical, mental, or emotional challenges can change from day to day. While our team is happy to support you where we can, we do ask that guests are able to move through the spa on their own, including getting on and off treatment tables and using amenities like the hot tub. For your comfort, we offer ADA-accessible restrooms, showers, and lockers, as well as a self-service chair lift for our outdoor hot tub.
